2020

VILLAGE HOMES PROPERTY OWNERS ASSOCIATION

This updated booklet of Rules and Regulations was adopted by the Board of Directors on April 17, 2013 updated in June 2020, and is based on the Covenants, Conditions and Restrictions (the "CC&Rs") that apply to the Village Homes Property Owners Association (the "Association"). The booklet is a supplement to the CC&Rs and is not a substitute for a complete and thorough review of the Governing Documents, which include the following:

- * The CC&Rs
- * Resolutions adopted by the Board of Directors
- * Rules drafted by the Architectural Review Committee

Every homeowner in Village Homes is a member of the Association and should have received from the prior owner, as required by law, a copy of the CC&Rs. Pursuant to the Association's CC&Rs and California law, the Board of Directors has an obligation and the power to enforce compliance with the CC&Rs and Rules & Regulations as deemed necessary to ensure compliance and to meet the needs of the Association. You can influence the governance of the Association by being an active voice in your Association.

These Rules have been instituted to make our community a desirable place to live and to enhance the long term value of both our property and our lifestyle. **HOMEOWNERS MUST FURNISH THEIR TENANTS WITH A COPY OF THESE RULES.** Copies are available from the Management Company.

Sincerely,

Board of Directors
Village Homes Property Owners Association

VILLAGE HOMES PROPERTY OWNERS ASSOCIATION
RULES AND REGULATIONS
UPDATED MAY 2020

ASSESSMENTS

The Board has established an annual operating budget which provides for the following expenses:

- Maintenance of greenbelt, clubhouse and pool area landscaping,
- Maintenance of the clubhouse and pool,
- Contributions to reserve funds for repair and replacement of Association assets,
- Association operations and management.

Assessments are billed quarterly. Assessments are due on the first day of each quarter and are delinquent 45 days after the due date. It is the homeowner's duty to pay all assessments levied by the Association on a timely basis. Late fees, interest and costs of collection, including legal fees, if any, will be charged to delinquent accounts. In addition, past due accounts are subject to collection policies adopted by the Board.

Copies of budgets, reserve studies and collection procedures are distributed to each homeowner annually. Additional copies may be obtained from the Management Company.

GENERAL RULES

1. Homes may not be used for any purpose except as a private single-family residence. Notwithstanding the foregoing, residents may use a portion of their homes for limited business activities as long as all of the following criteria are met:

- A. *Primarily Residential.* The home continues to be used primarily for residential purposes.
- B. *Advertisement Limitations.* The business activity does not involve any advertisement which includes the address of the home or the Association or the telephone number of the Association's business office.
- C. *No Employees, Vendors, Etc.* The business activity does not involve any employees, clients, customers, vendors, contractors, subcontractors, business associates, etc., visiting the residence or the Association.
- D. *No Excessive Deliveries.* The business activity does not involve deliveries or pick-ups of mail or packages which in the Board's determination are in excess of a level normal for residential occupancy.
- E. *No Manufacturing/Production.* No manufacturing/production of any kind takes place in the residence or on the common area.
- F. *Compliance With Laws.* The business activity is not illegal and does not violate any local ordinances.
- G. *Confined to Living Space.* The business activity must be entirely conducted inside the residence. No portion of the business may take place in the garage, yard or other areas outside the home.

2. Owners may lease or rent out a portion of the living area of their homes to a single tenant. No other portions of the lot, including the yard or garage, may be separately rented out or leased.

3. No tent, shack, trailer, garage, outbuilding or structure of a temporary character shall be used at any time as a residence or living area, either temporarily or permanently.

4. No property shall be used in such a manner as to obstruct or interfere with the enjoyment of the occupants of other properties, or annoy them by unreasonable noises or disturbances, nor shall any nuisance or illegal activity be committed or permitted to occur on any property or upon the common area of the Association property. Unreasonable noises shall be defined as loud music, loud noises occurring from social gatherings, excessive or unreasonable noises occurring from adults, children or pets on the property and other such disturbances originating on the property.

Enforcement Procedures. Because a nuisance is largely subjective, the Association is not obligated to become involved in disputes unless the “nuisance” causes substantial interference rather than mere inconvenience. Guidelines for determining “substantial interference” are as follows:

A. *Single Lot.* If the nuisance is such that it only disturbs a single lot, then the disturbance is not sufficient to require intervention by the Association and the two parties should resolve the dispute between themselves.

B. *Multiple Lots.* If the nuisance is such that it disturbs more than one lot, the Association may take appropriate action to abate the nuisance if the affected residents request, in writing, that action be taken by the Board. The request must be specific enough to enable the Board to understand and be convinced of the existence of a nuisance.

5. It is the responsibility of the residents to remove any throw-away papers and advertising material left at their home, garage or mailbox.

6. All weeds, rubbish, debris or unsightly items of any kind shall be regularly removed from the property in a timely fashion. Lawn and garden equipment should be stored out of sight immediately after use.

7. Storage pods are limited to a maximum of 30 days.

8. Side and rear yards that are visible from the street, greenbelts and/or neighboring properties should remain free of clutter. Trash cans should not be visible from the street or neighboring properties.

9. Outside clotheslines are not permitted. Drying of clothes or towels on open garage doors or balconies is not permitted.

10. Woodpiles or storage areas should be in rear or side yards and not visible from the street.

11. Holiday lighting and similar such decorations must be removed within two weeks after the conclusion of said holiday.

12. No radio or TV antenna may be installed or erected on Association property. Satellite dishes of less than 36” in diameter are permitted on the Owner’s property and should be placed

in a location as inconspicuous as possible.

13. All window coverings visible from the exterior must be maintained in good condition. Foil, cardboard, sheets, blankets or other similar items are not acceptable window coverings.

14. Repair of damage to any common area property, caused by a homeowner or occupant, his family or guests, or by his employees or contractors, shall be at the expense of the applicable homeowner.

15. Each homeowner or occupant shall be responsible for the conduct and behavior of all occupants of their home and all guests, whether children or adults, and is financially responsible for any penalties imposed as a consequence of their actions.

16. One sign advertising the sale or lease of a home is allowed on the property. The sign shall be located in the front yard only, shall not exceed three square feet and must comply with reasonable standards as defined by the City of Thousand Oaks.

17. One sign advertising current remodeling of a home is allowed on the property. The sign shall be located in the front yard only and shall not exceed three square feet. Sign must be removed at completion of job.

18. One customary security sign is allowed on each property, near the front entry to the home.

19. For Sale signs on vehicles or other personal property are prohibited where visible from the street or neighboring property.

20. Portable basketball hoops are permitted on private property. Owners are encouraged to be courteous of their neighbors and place hoops away from neighboring property windows and views. 21. Soliciting is discouraged within Village Homes.

The Architectural Committee also acts on specific complaints received from homeowners. Any resident who, knowingly or unknowingly, does not abide by these regulations will be notified of the infraction and is expected to comply immediately or appeal to the Board in writing.

ENFORCEMENT OF GOVERNING DOCUMENTS

Each violation of the Village Homes Property Owners Association Governing Documents is an infringement on the rights of all other residents of the community. Some infringements are minimal in the breadth or scope of their impacts. Others are very serious.

The enforcement policy of Village Homes Property Owners Association is intended to reflect the Board of Director's recognition of the various different levels of violation which can occur within a community association such as ours. The common areas are for the use of members in good standing. Pool and tennis access cards will be deactivated if dues are delinquent or if violation fines are not paid.

The enforcement procedure, therefore, provides for a range of remedies that may be used to ensure compliance with the governing documents. It shall be the practice of the Association to utilize the lowest level of remedy found to be compatible with the gravity of each violation which will promptly cause the violation to be eliminated. Implementation of progressively more rigorous remedies may follow as necessary to resolve the problem.

A. Remedies Available:

The Board of Directors shall be empowered to utilize each and every one of the following measures against a member for each violation of the Village Homes Property Owners Association governing documents, subject to any restrictions found in the governing documents and/or applicable law:

1. Issue a Letter of Reprimand.
2. Suspend Membership Rights.
3. Suspend Membership Voting Rights.
4. Suspend Use of Common Areas.
5. Impose Monetary Sanctions.
6. Seek Mediation or Arbitration.
7. Seek Self Help. (Association contracts to remedy situation and charges cost back to homeowner.)
8. Commence Legal Action.
9. Invoke such other non-judicial remedies as may exist under statute from time to time.

B. Duration of Penalties:

In appropriate situations, the Board may determine that a continuing violation constitutes a separate violation for each day of its existence.

C. Monetary Sanctions:

Subject to the hearing procedures described below, violations by an owner or the owner's family, tenants, guests, agents, employees, licensees or invitees may result in a fine being levied against the owner. Such fines are due within thirty (30) days of the issuance of the ruling. Depending on the severity and frequency of the violation, fines will be levied as follows:

First Notice:	Written Warning
Second Notice:	Hearing and Fine not to exceed \$250 per same violation
Third Notice:	Fine not to exceed \$500 per same violation
Each Notice Thereafter:	\$500 per same violation

Continuing violations may be assessed at the Board's discretion – daily, weekly, etc. – until the violation is rectified.

D. Procedure:

No suspension action shall be taken against any person or any Lot nor shall any monetary sanction be imposed except in accordance with fair and reasonable procedures, which procedures shall include all of the following:

1. Notice: When the Board of Directors is to meet to consider or impose discipline upon a member, the person(s) and/or Lots subject to discipline shall be given notice in writing, delivered personally or by first class mail, postage prepaid, addressed to the most recent address maintained on the Association's books for such person or Lot, advising the date, time and place of the meeting, the nature of the alleged violation, the section or sections of the Governing Documents alleged to have been violated, the possible discipline which might be imposed for each violation found to exist, and a statement that the person has the right to attend the meeting and may address the Board. Such notice shall be given at least ten (10) days prior to the meeting.

2. Hearing: Any person subject to proposed discipline by the Board shall be afforded a reasonable opportunity to be heard concerning the alleged violation and/or any discipline which may be imposed. Any such person may appear in person or by submitting a written statement.

Any such person may be represented at the hearing by counsel, but in no event shall the Association or the Board be responsible for any costs or fees incurred by any person in connection with any appearance by such counsel. Formal rules of evidence need not apply at any hearing conducted by the Board; rather the Board shall be entitled to consider any and all evidence that it deems to be relevant to any issue or matter presented by the alleged violation.

3. If the Board imposes discipline on a member, the Board shall inform the person subject to proposed discipline of the disciplinary action resulting from any hearing conducted hereunder, in writing, by either personal delivery or first-class mail within fifteen (15) days following the decision.

4. No discipline shall become effective until ten (10) days after the decision of the Board has been delivered to or deposited in the mail to the person(s) affected thereby.

5. The Board may, in its sole discretion, impose discipline "conditionally" upon the finding of a violation. Any such conditionally imposed discipline shall describe with specificity the event or action which will relieve the discipline from being imposed finally, or upon the happening of which the discipline will be imposed finally.

E. Use of Other Remedies:

1. Self Help may be utilized at any time that it is determined that such remedy is immediately needed to protect the health, safety or general welfare of the community, or when it is determined by the unanimous vote of the Board of Directors that the remedy is appropriate in view of the violation sought to be corrected.

2. Unless legal action is needed to abate a serious violation which has already begun to occur, or to prevent a serious violation which is threatened to occur, it shall be the policy of the Association to invite a person to engage in Alternative Dispute Resolution through mediation or arbitration whenever feasible prior to commencement of any legal action.

F. Internal Dispute Resolution. If the Association and an owner are involved in a dispute involving their rights, duties or liabilities under California law, the Rules, the CC&Rs, the Bylaws, or any other governing documents, either the Association or the owner may invoke the following procedure:

1. **Written Request.** Either party may request, in writing, that the other party meet and confer in an effort to resolve the dispute. The request shall include a description of the dispute.

If the owner initiates the request, the Association shall accept, unless the parties have already used this procedure to meet and discuss the same dispute within the past three (3) months and to the Association's knowledge there has been no change in any relevant circumstances since that prior meeting. In that case, the Association may accept or reject the owner's request at its option.

If the Association initiates the request, the owner is not obligated to accept.

2. **Association Designee.** If the request is accepted, the Board shall designate one or more members of the Board to meet and confer with the owner.

3. **Meet and Confer.** The parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute.
4. **Written Resolution.** If the dispute is resolved, the agreed-upon resolution shall be put in writing and signed by the parties. The Board designee may sign on behalf of the Association.
5. **No Fees.** No fee shall be charged to the owner for participation in this process.
6. **Limited Scope.** This procedure shall not apply to hearings held by the Association to consider discipline against an owner or to require that a violation be cured. Neither shall this Section apply to parties proposing alternative dispute resolution before filing litigation.

ELECTION RULES

These Election Rules have been adopted by the Board of Directors of Village Homes Property Owners Association in compliance with its governing documents and California Civil Code.

1. **Annual Members Meetings.** There shall be an annual meeting of the members each year for the purpose of viewing the election of the Board of Directors and conducting any other business of the Association. The annual meeting shall be held the second Monday of June, or no more than 30 days before or after that date.

ELECTION SPECIFICS

In addition, the Association may include a statement specifying that the candidate or member, and not the Association, is responsible for that content.
- (b) All candidates, including those who are not incumbents, and all members advocating a point of view, including those not endorsed by the Board, for purposes reasonably related to the election, shall be provided equal access to any common area meeting space, if any exists, during a campaign at no cost.

Any recount shall be conducted in a manner that shall preserve the confidentiality of the vote.

1.0.6 **Meeting at Which Secret Ballots Shall be Tabulated.**

- (a) The inspector of the election shall tabulate the ballots for the election of the Directors or other matters to which this policy applies at a meeting of the owners, or if no quorum is present, at a special meeting of the Board of Directors duly noticed for the same date, time and place, as the general meeting of the Association called for the purpose of counting ballots. The Board of Directors shall determine the date, time and place of the annual or other general meeting of the owners and the concurrent special meeting of the Board in accordance with the Association's Bylaws.

- (b) Upon certification of the election results by the inspectors of election, the newly elected Board members shall be deemed to have taken office.

APPENDIX D

∞ VILLAGE HOMES ARCHITECTURAL RULES ∞

PLEASE SEE THE SEPARATE DOCUMENT, ARCHITECTURAL GUIDELINES FOR FULL LIST OF REQUIREMENTS.

1. No structural changes or improvements which alter the exterior appearance of any property, including but not limited to pools, spas, patios and patio covers, fireplaces, fountains, play equipment, built-in BBQs, fencing/walls/gates, screen doors, awnings, landscaping, tree removal, walkways, outdoor lighting, gazebos, solar panels, etc., may be made without prior written approval of the Architectural Committee. This includes any minor installations or apparatus affixed or attached to any exterior wall or fence and painting or repainting of any exterior item.
2. An application for architectural approval may be obtained from the Clubhouse office or the website and must be used to apply for modifications. The homeowner will be advised of the Architectural Committee's decision and/or recommendations within thirty (30) days of receipt of a complete application. If the owner's application is disapproved, the decision will include a procedure for recommendation by the Board, if any.
3. If the owner's application is rejected, the owner can appeal the decision to the Board of Directors. Such appeal must be in writing and received by the Board within thirty (30) days of the owner's receipt of the rejection. The Board shall consider the appeal at the next open Board meeting scheduled to take place at least fifteen (15) days after the date of its receipt of the owner's appeal. The owner may attend that Board meeting and address the Board on the issue. The Board will notify the owner of its decision in writing within fifteen (15) days of the meeting. If the owner's appeal is denied, the decision will include an explanation of why the appeal was denied. If the owner modifies the plans and specifications, this shall be treated as an application for architectural approval, not as an appeal.
4. Each request will be considered on an individual basis. The fact that a similar change or improvement has been made elsewhere does not indicate automatic approval. The Committee's decision will be determined by the location and general features of the project; how it may affect the rights and/or privacy of neighbors; and how it conforms to the architectural harmony of the Association. The Committee will make every attempt to cooperate with the applicant so that any problems concerning the application may be resolved.
5. Building permits must be obtained for any construction that is included in the building codes of the City of Thousand Oaks or for any improvements that encroach onto existing slopes. Please note this does not mean that, should a permit be obtained without submitting your plan to the Committee, you will receive automatic Committee approval.
6. Plans and specifications are NOT reviewed by the Architectural Committee for engineering design and integrity. The use of a civil or structural engineer is encouraged.
7. Improvements must be completed within six months of plan approval unless otherwise stated on the Architectural Approval. An extension may be requested; however, re-submittal of plans for approval may be necessary.
8. Any resident who, knowingly or unknowingly, does not abide by these regulations will be notified of the infraction and is expected to comply immediately or to promptly request a variance in writing.
